- Practice your Kathak syllabus that you have learned in dance classes. (Kavitt, Hastak,Tatkaar)

### **11.YOGA -**

- Practice your yoga syllabus that you have learnt in Yoga classes.
- Surya Namaskar
- Tadasana
- Vriksasana
- Angles 60,90,180
- Meditation daily

### **12. Craft –**

- Make one best out of waste

### **Note-**

- **Make one scrapbook for Science and G.K**
- **Revise the syllabus of unit test of all the subjects whatever is done in the class**

# **Holiday Homework**

## **Grade 4**

**Month of May brought long, hot days,  
And now we have our summer holidays  
Summer holidays mean no going to school,  
Waking up late with no set rules.  
Little homework, easy to be done,  
Lesser studies and lots of fun.  
Playing and talking and watching cartoon,  
Fun continues till the end of June.  
Beautiful time comes once in a year,  
Summer holidays are best days ever.**

- ❖ Appreciate Nature - Go for long walks in a park or garden with your family and friends.
- ❖ Good manners are the key - Respect your parents, grandparents and all elders. Use three magical words (Sorry, Please and Thank you).
- ❖ Stay Fit, Stay Healthy - Play your favourite game/ sport regularly.
- ❖ Save Nature- Contribute to save our precious environment. Minimize the wastage of resources like water, fuel and electricity.

### **Must do:-**

- ❖ Eat healthy food and drink lots of water & juices.
- ❖ Read every day. Watch less of T.V.
- ❖ Revise the previous work done in class.

### **Instructions:**

- ❖ Do your homework neatly and on your own.
- ❖ Make your own time table for summer vacations and follow it religiously.

### **English Language:**

- Make a project on different genders in a scrap book. You can paste the pictures to make it attractive.
- Write an essay on the following topics.

. How I spent my vacations

. A Rainy day

(The above homework is to be done in a thin copy).

**English Literature:**

- Read a story book, write the summary of that story. Also write about the character that has influenced you the most. You can also paste the pictures of your favourite character.
- Frame ten short answer questions from the chapter 'The Koala Bear.'
- 'Knowledge is Power', therefore read lots and lots of books to improve your reading skills and develop your vocabulary.

**Maths:**

- Dear children create your own model on shapes in any creative form you like. You can take help from the link given below-  
<https://youtu.be/ax4gNngrj4g?si=H28LkUluqwoVljqt>
- Complete all the chapters and practice 10 sums daily.
- Make a static model on Odd and Even numbers with 3-D effect. Use your own creativity to make it look innovative. It can be in a chess board shape or a tree etc.

**Science:**

- Make a working model which will be displayed for an exhibition. You are free to use your own creativity to make it best. Make of your standard which you can explain it too.
- Make any one model of simple machines from the given link. This link is just for help beside this you can use your own creativity.

[https://youtu.be/7tLWz1iHrME?si=KB2UIRdkcZJ\\_ySzC](https://youtu.be/7tLWz1iHrME?si=KB2UIRdkcZJ_ySzC)

- Let's make our surrounding green. Decorate a pot and plant an indoor plant. Keep a track of growing your plant and take regular pictures with them.
- Read and learn the chapters completed.

**Hindi:**

- One paragraph to read daily from book.
- Write 15 dictation words daily with date.
- Make a milky file of 10 pages for Hindi activity work.
- Write 1 to 100 counting in Hindi.
- Write 10 vegetables name and fruits name in Hindi with pictures (paste pictures in milky file).

**Social Studies:**

- Make a 3-D Static/ Working model of Sources of water on an A4 or smaller size box/cardboard. Write few lines about those sources in a milky file.

**Computer:**

- Make a project on AI. Find 5 applications and paste pictures of those. Also write a short paragraph about each.
- Paste pictures of the welcome screen of any 4 web browsers. (google, microsoft edge etc). Also write few lines related to each of those.
- All this work can be done in a milky file.
- The title/heading of the project will be '**Internet and AI**'.
- Learn the work done in notebook and portions from the book.

**General Knowledge:**

- Learn all the exercises done.
- Make a report on any famous monument in India. Like where they are, when was it made and by whom, it's importance, how many tourist, etc. Make it attractive with the pictures and collages.
- Write and stick the headlines of the current affairs during your holiday time.
